Registration Deadlines

The deadline for registering or transferring your voter registration is the Monday four weeks before an election. By mail, your application must be postmarked by that same Monday or it will not become effective until after the election.

If you are not already registered to vote in Washington and you miss the 4-week deadline, you can register in person at your county elections department up to the Monday one week before the election.

Registration Requirements

You must complete a voter registration form if you are registering for the first time in Washington or if you have moved to a new county. If you have moved within the same county, you must change your address by completing a new form or contacting your County Auditor by mail, email, or phone. There is no registration by political party in Washington State.

To register to vote in Washington State, you must be

- A citizen of the United States
- A legal resident of Washington State
- At least 18 years old by election day

You may not register to vote if you

- Have been convicted of a felony and not had your voting rights restored
- Have been declared by a court to be mentally incompetent and ineligible to vote

Voting by Mail

All 39 Washington counties vote by mail. You will automatically receive a ballot for each election. You must inform your County Auditor should you change your residence or mailing address.

Ballots must be post-marked on or before Election Day. You may also return your ballot to the County Auditor's office or another ballot drop site designated by your County Auditor by 8:00 PM of Election Day.
